RO/LU Primarily / Primary (After Carol Bove, Scott Burton & Sol Le Witt)

USA, 2011

27 x 27 x 27

SOLD

Pair of Douglas fir armchairs by RO/LU with hanging seats. The wool felt textile seat covers were designed in collaboration with West Coast artist Ashley Helvey. Powder-coated, welded-steel "chamber" from the series "Surfaces On Which Your Setting and Sitting Will Be Uncertain". These rare "swing" chairs were produced by the now-defunct Minneapolis-based contemporary design studio. Only 3 were produced.
