**Jonathan Nesci Present Perimeter Mirrors**  
**USA, 2015**  
**approx. 17 x 17 / 30 x 30**  
**SOLD**

Created specifically for Patrick Parrish Gallery in an exhibition titled Present Perimeter, Nesci created a design framework that combines equal numbers of hexagons, half-hexagons, rhombuses, and triangles. Each powder-coated steel mirror shape is available in both large and small, though dimensions vary slightly. Available in Traffic Yellow, Signal Blue, Signal Red, Bright White, and Pac Black.
